[CRAASH Barcelona](#) is an EIT Health Bootcamp organized by Biocat in collaboration with CIMIT. In order to enroll the program, please follow the next steps:
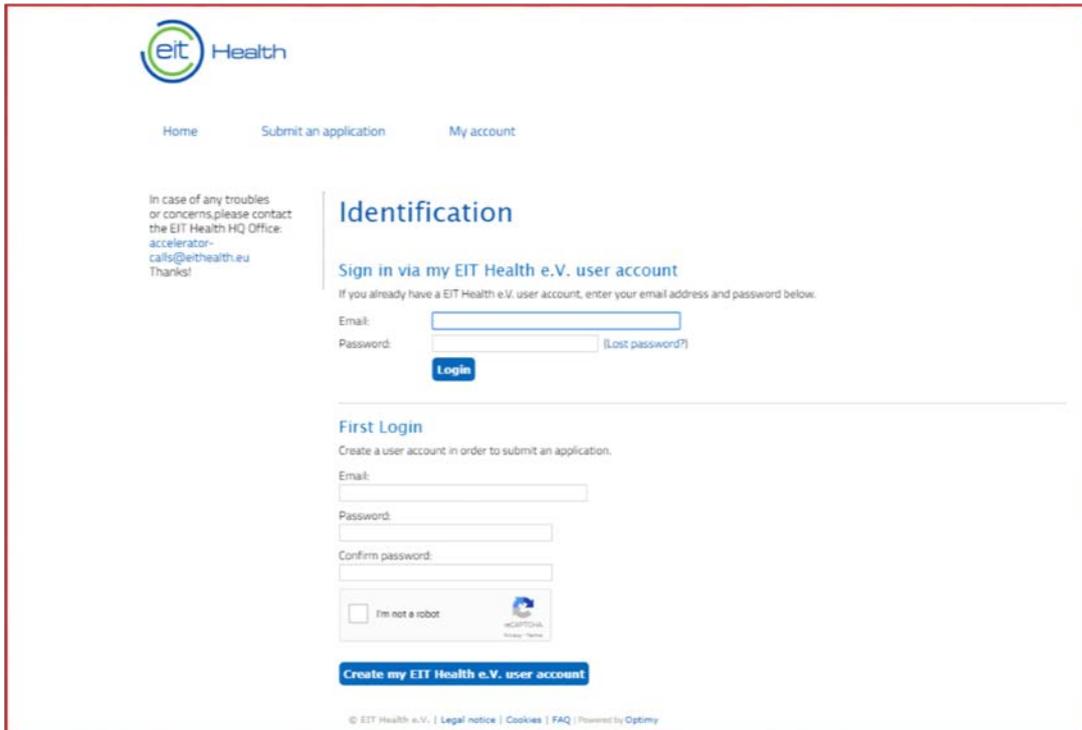

HOW TO APPLY:

1. Prepare in advance the following documentation: CVs of the members of your team.

2. Go to the [EIT Health platform:](#)

   - Create a user account in order to submit an application in the 'First Login' section.

   - Go to 'Submit an application'.

   - Once in EIT Health Bootcamps, click on 'Submit an application' again

   - Read carefully all the information provided in the 'Welcome' section (after the logos) & click on 'Next screen'.

   - Complete the common questions for all the Bootcamps (from 2 to 5). Please find below the full application form (step-by-step guide).

   - **Select CRAASH Barcelona as the 1st option** (section 6).

   - Answer the specific questions for each Bootcamp selected.

   - Check all your answers in the 'Summary' and click on 'Validate and send'. You can download your application.

   - You will receive a confirmation e-mail once the application is sent.

3. This process might take you an hour, so check the questions first in order to prepare your responses.

4. You do not need to save your answers. The auto-save mode is active.

5. Complete the application process **before March 13, 2019.**

We are willing to help you during the process, so do not hesitate to contact us in case of doubt.
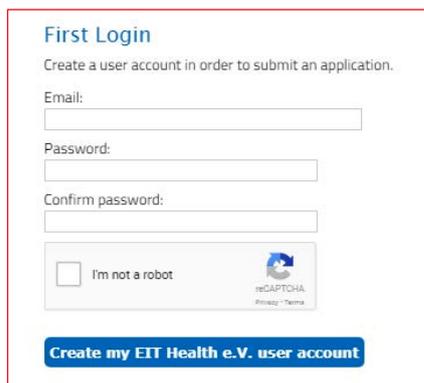

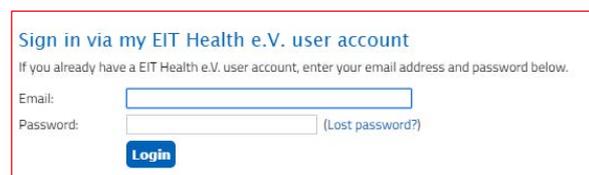

1. Go to the EIT Health platform:

- In the 'Identification' section, go to **'First Login'** to access the EIT Health Bootcamp platform to generate a user account. If you already have one you can access at the 'Sign in' section.
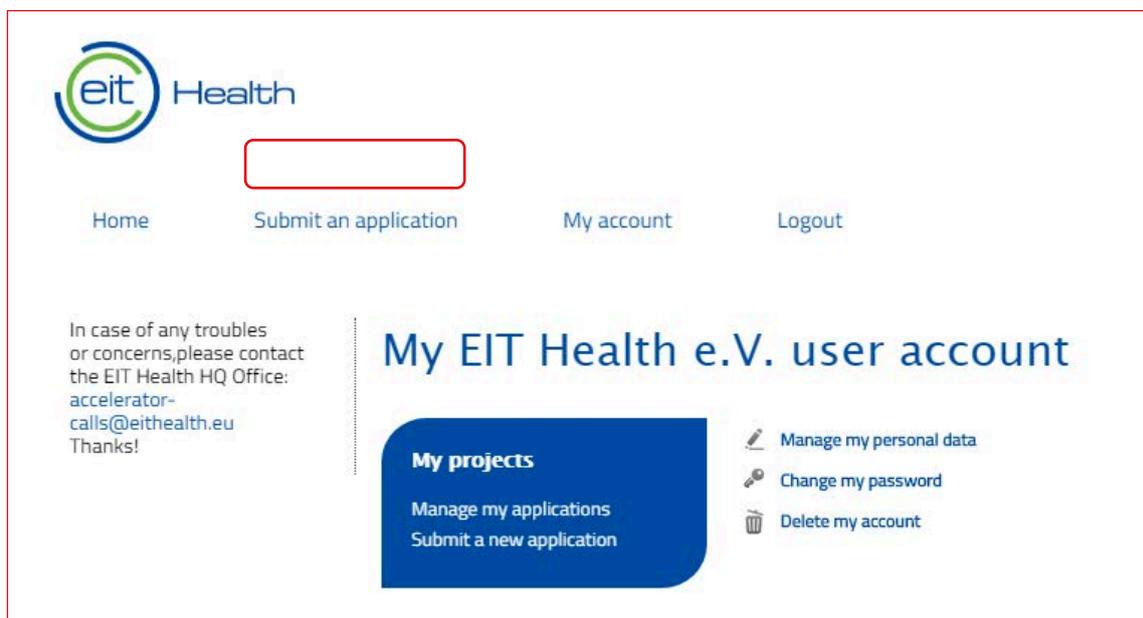

- Go to 'Submit an application'.

- Once in EIT Health Bootcamps, click on 'Submit an application' again.

- **Read carefully all the information** provided in the 'Welcome' section (after the logos) & click on **'Next screen'**.

In case of any troubles or concerns, please contact the EIT Health HQ Office:
accelerator-calls@eithealth.eu
Thanks!

Welcome entrepreneurial minds... 1 / 10

In cooperation with:

Dear entrepreneurial minds...

The EIT Health Bootcamp Consortium welcomes you and congratulates you on making the first step: the application process. This system will allow you to save your work before submission. We would also like to remind you of a couple important points before you start your application.

1. You must select at least **two** Bootcamps to apply to.
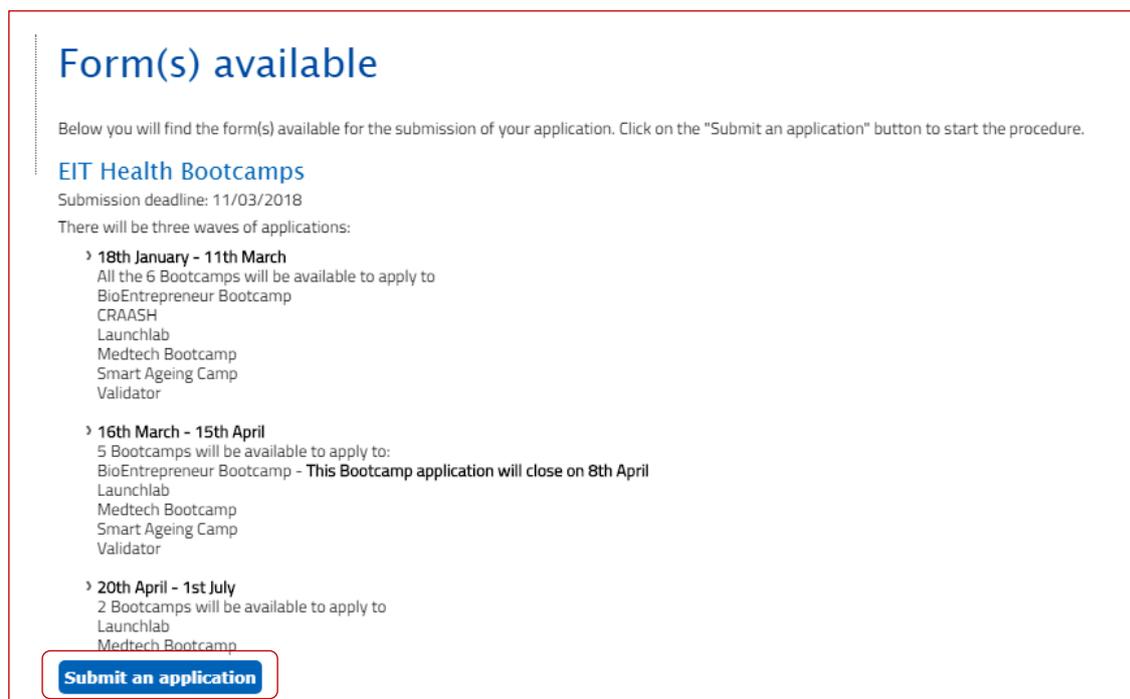

2. There will be three waves of applications:

› **18th January – 11th March**
All the 6 Bootcamps will be available to apply to
BioEntrepreneur Bootcamp
CRAASH
Launchlab
Medtech Bootcamp
Smart Ageing Camp
Validator

› **16th March – 15th April**
5 Bootcamps will be available to apply to:
BioEntrepreneur Bootcamp - **This Bootcamp application will close on 8th April**
Launchlab
Medtech Bootcamp
Smart Ageing Camp
Validator

› **20th April – 1st July**
2 Bootcamps will be available to apply to
Launchlab
Medtech Bootcamp

3. In section 6 you will select your favourite Bootcamps. Ensure that you have selected a Bootcamp that still has an open application period. Your application will **NOT** be taken into consideration if submitted after the specific deadline (as explained above).

4. In section 7,8 and 9 respectively, you will select the Bootcamps you ranked. Each section will allow you to answer **ALL** specific questions for one Bootcamp. Section 7 and 8 are **MANDATORY**, 9 is optional, if you have a third choice.

5. You may save your work at the bottom of the page and come back to your application **anytime** before the due date.

6. If you need technical support during the application phase please contact this email address: accelerator-calls@eithealth.eu

7. You can find more information about EIT Health and the accelerator programme at this link: https://www.eithealth.eu/accelerator

Good luck with your application!
